OUR MISSION

The HOPE CENTER is a place that provides hope for those who seek to live a better, more productive life through recovery and the improvement of life skills. We offer a place where people get a hand up, not a hand out. It's all about giving HOPE to those in our community while making Warren County a better place for everyone.

From Our New Director

What a wonderful month, in so very many ways! There have been good days and learning days, lots of laughter and tears. And one thing I know for sure is that God is in the center of it all! I had a dear friend that once said five minutes is yours and the rest is God's. I really believe this is truth the longer I live. If I can get out of the way and place the focus on others, all will be well,

no matter what. The Lord brings His children together in a variety of ways. I love His panoramic view of the world, putting people, places, things, and times together in His omnipotent way.

The Hope Center is blessed by its volunteers, its community and all who enter our doors! The clients, the suffering and the fearful, are greeted with compassion and given HOPE while God does the work. It is a beautiful sight to see cords growing stronger. Thank you Brothers and Sisters for this opportunity, for your faith and trust in me, most importantly for the prayers!

One of my favorite scriptures is Philippians 2: 3-4. He speaks of esteeming others more than yourself. When I am able to do this, the gift that I receive is the sweetest joy that I have ever known. Self-centeredness was my dilemma for many years and I still struggle with it, but my attempts to be other person-centered has saved my life.

Thank you ,Jesus, for placing people around me, teaching me your ways to freedom and harmony! Won't you join us on this lovely journey? We'd love to greet you with open arms!

Until then,
Lorie Gretzinger

Philippians 2:2-3: *"Fulfil ye my joy, that ye be likeminded, having the same love, being of one accord, of one mind. 3 Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves."*
